The cross of Christ is the greatest irony in the history of the universe. It is far too easy to lose track of the paradoxical details of Christ's death. Familiarity replaces what should be shock as we read through the Passion narrative. The Irony of the Cross puts the shock back in the cross by highlighting the ironies of Christ's death. Examining Mark 15:21-29, this book identifies eleven ironies of the cross that will deepen your understanding of the death of Christ and the gospel of grace. Each of these presents Jesus eschewing the prerogatives of his power for the salvation of his people. There is no other point in time when Christ was more emptied and stripped of his divine dignity, and yet there is no other place where Christ's glory is more prominently displayed. Set in Africa with footholds in archaic Ethiopia and once resplendent Ethiopia, this compelling story describes WHY Christianity is exploding in Africa and below the equator. The book details staggering predictions for religion in Africa and the entire world. Not only are the spiritually aware finding Him, but He is rallying the skeptical and lost with visions and dreams and a dedicated missionary force that attest to the reality of modern-day revelation and a loving God who wants His children home. Seen through the eyes of a reluctant lady missionary, this is a humorous story of Sondra who initially rejects a calling to serve in Africa with her husband, incorrectly describing the continent as "backwards, with endless desert, hyenas lying dead in mud holes and Zulus that are still angry" and declares she is not going. Akin to Jonah who landed in the whale's belly or the struggling archetypal hero, the recalcitrant missionary ultimately discovers the amazing and enterprising ways that the Lord spreads his Restored Gospel and what part she plays in it.

This is not just a book just to be READ - it is a book to be SAID! "Death and life are in the power of the tongue, and they who indulge in it shall eat the fruit of it [for death or life]." Proverbs 18:21 If I could hand you a key that is guaranteed to change your life and circumstances; a principle that places the supernatural power of God on tap for every situation in your life and ministry, would you want to know what it is? Sometimes people shroud the simplicity of the gospel in a mess of religious rhetoric and theological confusion. Thankfully the Scriptures make plain and simple how we are to engage with God and receive and release His transforming power consistently in our everyday lives. In this practical Spirit-filled series of books, pastor and Bible teacher, David Lee Martin, unpacks the amazing truth concerning the power of the words that you speak, and shows clearly how you can apply this truth to change your world, and the world of those around you. This Edition: COLOSSIANS The book of Colossians is a book of putting off the old, and putting on the new. The truths you are about to declare will uproot all that hinders you in your walk with God and with others, and firmly establish your present and true identity in Christ. Take the words on the following pages, salt them with your own thanksgiving, and let God's love and grace touch the very depths of your being. The Benefits of Applying the Word As with several of my other books, this one is intended to be applied. It's words and message are impotent if they are not vigorously acted upon. The 'His Word My Word' series of books take eternal truth and shape it for application right here and now! This series of books will train your tongue by planting the Word in your heart, and harnessing your testimony (the confession of your mouth) with the law of liberty - the perfect Word of our Father. Just a few the benefits you can expect as you act on what you read, and become a doer of the work include: -It renews the mind, building into your consciousness and expectation new truths to live by. -It moulds your vocabulary, harnessing your tongue to speak only those things God (and you) desire for your life. -It conforms your thoughts and words to His thoughts and Words. -It gives expression to the mind of Christ in any and all situations. -It raises our perspective from earthly to heavenly, from below circumstances to above them. -It banishes wrong thinking and emotions, replacing them with God's own thoughts - our emotions will always follow our thinking, and our thinking will follow the deposit in our heart, and the words of our mouths. -It gives you an actionable principle you can apply to combat any adversity you face with confidence. -It establishes Godly boundaries in your life. -It overcomes the devil's plans and purposes because you are never in agreement with him, and they cannot be established. -It develops new pictures of ourselves, ones that are shaped by God's unchanging love for us. -It equips us with the necessary weapons for the Holy Spirit to bring to our remembrance what is needed to overcome, any time our mind, body or spirit come under attack. -It brings every thought into captivity and conformity to Christ, resulting in increased spiritual authority in the spirit realm and in relationships and ministry. -It is health to our flesh and strength to our bones. There are many more wonderful benefits that flow from disciplining ourselves to speak the Word only, but I am sure that you already you agree, any investment we need to make putting this into practice is far outweighed by the promised returns. It is truly life changing, and a spiritual principle that will stand the test of time and every challenge that is thrown at it.

Hard times will come. When it does is, we often wonder, "How can I praise God in the middle of this mess?" It's a question I've asked. Maybe you have too. Because praising God comes easy during life's grand moments. Yet, in the difficult ones, glorifying Him can just as easily be forgotten. However, that's precisely the time we need to worship! Though the acceptance of popular culture (and in the case of music, pop music) within the Christian church is now an established fact, its very normality across the face of virtually every variety of Christian theological persuasion is telling. In a climate of extreme multi-culturalism, pluralism, and relativism satiated with the notion that music is value-neutral and worldview-free, church music has been cut off from history, tradition, theology, aesthetic norms, and ultimately the Word. The result has been a breakdown of church music standards along with a collateral weakening in other areas of life as well.

Real Family is a fictional story with many complex issues interlocked throughout the journey. The foundation of the story deals with relationships. It may be father to son, sister to brother, teacher to student, friends to family, friends to acquaintances, lovers to partners and rivals, colleagues to boss. It also could be relationships lost, missed, or by chance. Everyone needs someone to rely on for unconditional love and support. People may learn the hard way that those people are our Real Family. Stop and reflect on the relationships in your life and who has been there for you regardless of time. It is a curious thing to see how people relate to one another and the circumstances that if a bit different may have a different outcome. But life does not allow us to change a decision made. We may be able to continually affect the circumstance but it can never be undone. Lessons in life are what define who we are as a person. It is never the soul individual who is responsible for who they are, people that we don't control may affect who we become.

Witnessing to an enemy African tribe taught Nicholas Muteti the power of unity. He learned that ending segregation in churches enables Christians to become a powerful force for God's kingdom.

The true and graphic story of a former Mormon Bishop, Lee B. Baker, now a Christian, who with his wife teach the True Gospel of Jesus Christ to the Mormon People. For this he was arrested, charged with 3 Felonies and Jailed with Murderers. During his 6 days of incarceration with the worst of the worst, he was able to bring several Prisoners to Jesus Christ by teaching and preaching the Word of God. The deception and deceit of the Mormon Church is captured within this account of the corruption between the senior Mormon leaders who abuse the Courts and their Government positions to safeguard the false teachings of The Church of Jesus Christ of Latter-day Saints (Mormons)

A very practical look at relationships for those married and single.

When you read the history of First Presbyterian Church of Richmond, Kentucky, you are not merely reading about a church's story. You are exploring God's story—a story of God's justice and grace, of love and compassion, of redemption and hope. When you read the church's history, you discover your own story—the story of all who believe in God's just and compassionate activity in the world today. When you read the church's story, you discern the voice of God's spirit speaking within each one of us and calling us to make Christ's love known throughout the world. If you want to know the grace of God today, you need to hear that grace in the voices of our ancestors; for, they yet speak.

Leadership By Divine Design: How to Be An Effective Christian Leader is another significant work by Anthony Osuobeni, author of the seminal book on revival, Hashtag Revival. He writes to add his voice to the vast body of literature on Christian leadership, highlighting believers' call to leadership in the Body of Christ. He encourages believers, pastors and church leaders, to see leadership the way God sees it and to practice it in their churches according to divine dictates. Because the more people we lead the more leaders we need, we must prioritize on developing leaders in our congregations and populate the ministerial landscape with effective Christian leaders. Finally, Anthony prays that God's people in the churches of Christ all over the world will become God's designer-leaders. The book is purposeful, practical and on point!

The Minor Prophets were the courageous and true spokesmen for God during the time of the great Assyrian, Babylonian, and Persian empires. Joel's prophecy appears to be the first of all the books of prophecy, and Malachi the last. They are called Minor

Prophets because they are shorter in length than the Major Prophets. However, their writings are no less important. We will look at the prophets in their chronological order. Joel, Jonah, Amos, Hosea, and Micah prophesied during the Divided Kingdom. Nahum, Zephaniah, Habakkuk, and Obadiah were prophets in Judah before the Babylonian Exile. Haggai, Zechariah, and Malachi prophesied after the return to Jerusalem from the exile. Jonah of Israel and Nahum of Judah prophesied against the city of Nineveh in Assyria. "Before the time of Christ these twelve books were joined together to make one scroll known collectively as "The Twelve."

The Megachurch Book juxtaposes the way of the scripture to the way of the modern day church, particularly the megachurch. A broad range of subjects are explored including church membership, lavish buildings, dual church locations, the absence of men in the church, neglect of community, the corporate orientation of the megachurch, the tax exempt charter, and many more intriguing topics. The book primarily focuses on trends and practices that are found in African American community based megachurches. Certain topics are written in prose and biblical metaphoric style for greater impact. The more biblical versed a reader is, the more the book will resonate. In order to accommodate various levels of biblical familiarity, the author includes a Discussions and Supporting Scriptures section at the conclusion of each topic. The Megachurch Book was written to open dialogue, invoke discourse, and inspire church attendees to not only consider the appropriateness of certain megachurch practices, but to also question such practices.

Sons of The Resurrection: The Jump to Light Speed and the Realm Eternal, by Billy Arnett, a scripturally, accurate, fictional account of future events in the Kingdom of God and the transformation of the seven churches, becoming superhuman, immortal, Sons of God... the Sons of The Resurrection. Assisted by the NineChoirs, the Holy angels of God, they face Satan, the powers of darkness, and war torn planet earth on their journey. Warriors and worshipers, they make the ride of a thousand lifetimes, back to earth from the Wedding Feast, the Marriage Supper of The Lamb, with the Captain of the Lord's Host, the King of Kings, and the Lord of Lords and the armies of heaven. They have been chosen to rule over the nations with a rod of iron during the One Day, a day with no night. Each of the seven sons have their own strengths and weaknesses, attributes that distinguish them from one another, pointed out by Christ himself in the letters to the seven churches, in the Book of Revelation. These writings tell biblically accurate, yet, fictional accounts of their walk on the narrow path to paradise. There they find a city of pure gold and the supernatural abilities afforded them by God through the chemistry of their new glorified bodies with a chemical base of light, instead of water. The transformation, the ride, and the reward bring them to a place of equality with the NineChoirs. After having been made a little lower than the angels, they are now joint heirs with the Son of God, Jesus Christ, and are given the right to sit with Him in his throne as Sons of The Resurrection.

Are you a Catholic who no longer practices your faith? Do you feel closed off from the church because of your political or lifestyle circumstances? In Archbishop Wynn Wagner's enlightening, supportive, and sometimes irreverent book, *Recovering Catholic: How to be Catholic without being Roman Catholic*, you'll discover an entirely new way of looking at, and participating in, the Christian world you once loved. The author, who considers himself a recovering Catholic, introduces us to the Old Catholic Church, where 100% is Catholic, and 0% is Roman Catholic. So what's missing? Dogma, unfair judgment, homophobia, racism, and levels of discrimination we prefer not to discuss outside the church, and which the Roman Catholic clergy refuse to acknowledge inside the church. This book and this man will remind you about the joys that exist in a religion that loves and accepts. Amen to that!

Joseph Charles Philpot M.A. was born on the 13th September 1802 at Ripple Rectory in Kent. He was educated at Worcester College, Oxford, and was subsequently elected a Fellow. He went on to Ireland as a tutor for a private family, and, having been saved by grace, began his ministry in the Church of England. He seceded from that Church in 1835, and the same year aligned himself with the Strict and Particular Baptists, being baptized by John Warburton on his 33rd birthday. He became pastor of the Stamford and Oakham congregations in 1838 and ministered faithfully until poor health ended his pastoral ministry in 1864. He went to his reward on 9th December 1869, a beloved and respected leader amongst the Strict and Particular Baptists where his memory is still cherished. As well as his pastoral work, he was also editor of the *Gospel Standard* which gained considerable influence and prominence under his leadership. The organisation still publishes his works, and much of what we have from him today was first written for that publication. These devotions have been available on various websites for some time, but to my knowledge there has not been a printed edition using the King James Version of the bible available for many years. I believe the devotions are very close to the original publications, with only some paragraph divisions and occasional sentence splittings added by this arranger to make the devotions easier to follow for 21st Century readers. Philpot's original but now veteran language and grammar has been left largely unaltered with only the spelling being returned to British English, some archaic words very carefully replaced, and no simplification. The Scripture quotes at the beginning of each portion use the original King James Version, with a few of the contractions removed to print the full verse rather than just a couple of words. Philpot himself often paraphrased, tending to follow the pattern of the Geneva Bible of 1560, so where odd words differ from the KJV in the body of his portions, this may well be the cause and origin. A handful of the devotions seem quite short, and may have been truncated in the past. However, checking all the versions available to me has not revealed any additional text, so any missing text may now have been lost forever. I trust that you will find these devotions as encouraging and challenging as I do, and that they will strengthen you in your faith as they have done for many thousands of Christian readers over the years. The truth contained within them is as precious and real today as it was when first written, and remains fresh and pertinent with repeated reading. You will be able to re-read this volume many times during your life and will always be surprised to find something new that you missed first time round. Noel Pogson May 2017
