The New York Times bestselling author of the Driven series turns up the heat when a sexy bet turns into so much more.... Hawkin Play, the bad boy rock star with a good guy heart, has lived a lifetime of cleaning up after his twin brother's mistakes. Hunter's most recent screwup

could land Hawke in jail and risk the band's future. Hawke agrees to guest lecture at a local college to stay in the judge's good graces--and a bet with his bandmate to seduce his sexy teaching assistant is icing on the cake. Quinlan Westin is harder to bed than Hawke imagined. She knows his type and is determined to avoid the rocker at all costs--even if their attraction runs deeper than simple lust. Just as Hawke might finally be winning over the girl, his brother has other plans. When Hunter realizes his twin finally has a weakness, he'll stop at nothing to take advantage....

From New York Times Best-Selling Author K. Bromberg comes the continuation of the Driven series... What happens when the one person you never expected suddenly happens to be the one you'll fight the hardest to keep? Colton stole my heart. He wasn't supposed to, and I sure as hell didn't want him to, but he crashed into my life, ignited feelings within me that I thought had died forever, and fueled a passion that I never knew could exist. Rylee fell out of that damn storage closet and into my life. Now I don't think I'll ever be the same. She's seen glimpses of the darkness within me, and yet she's still here. Still fighting for me. She is without a doubt the saint, and I am most definitely the sinner. How is it the one thing neither of us wanted—neither of us anticipated that fateful night—has us fighting so hard to keep? He steals my breath, stops my heart, and brings me back to life again all in a split second of time. But how can I love a man who won't let me in? Who continually pushes me away to prevent me from seeing the damaged secrets in his past? My heart has fallen, but patience and forgiveness can only go so far. How can I desire a woman who unnerves me, defies me, and forces me to see that in the deep, black abyss of my soul there's someone worthy of her love? A place and person I swore I'd never be again. Her selfless heart and sexy body deserve so much more than I'll ever be capable of giving her. I know I can't be what she needs, so why can't I just let her go? We are driven by need and fueled with desire, but is that enough for us to crash into love?

Sometimes, the Fates have other plans in mind. Ryanne Arden was on track to becoming Stormfield High School's Valedictorian. Being the shy, studious type, she'd always done her own thing. That all changed with a drunk driver. With the death of her mother, Ryanne became more alone than she'd ever been. With no friends or family to turn to, a local woman named Jane offered to help Ryanne in her time of need. A visit to the local bookstore changed Ryanne's life forever. That's where she met Colton Wagner, who awoke something in Ryanne she didn't know she had. Being the only non-mage to ever gain magic, paints a target on Ryanne's back for it has been prophesized that a non-mage female would end the chaos created by rogue mages, the Gadramicks. Dravin, their manipulative leader, will do anything within his power to prevent the prophecy from being fulfilled. Finding out that she's an intricate part to ending a prophesized war, Ryanne has the weight of all mages on her shoulders. With the help of Colton and his family, along with a healer, a dream-walker, and a loud-mouthed mage, Ryanne sets out on the journey of a lifetime. BlackMoon Beginnings is part one in the five-part Prophesized Series.

The New York Times bestselling Driven series continues. Just when you thought Colton and Rylee's story was over, it was only just beginning... One moment. Six years ago. So why do I feel like it's slipping through my fingers? How can one moment, when our world seemed so right, resurface and cause our perfect life to spiral out of control? I can't lose her. From New York Times Best-Selling Author K. Bromberg comes an unforgettable series about lust, love, redemption, and
healing... Our paths should never have crossed. Colton Donovan was arrogant, exuded that bad boy vibe, and embodied
everything I never wanted. And yet all it took was one night, one hallway, and one stolen kiss for me to know I hated him
and desired him instantly. My heart was healing. His soul was damaged. But with one bid, one little boy, and one carnival

date, I couldn't walk away and he wouldn't let me in. This is our story. Our fight. Our perfectly imperfect love. Written by historians at Harvard Business School, Mississippi State U., and St. Cloud State U. (Minn.), this history details the development and day- to-day affairs of this powerful business, and the careers of the main figures instrumental in its operation. This definitive work, first published by

When life crashes down around us, how hard are we willing to fight for the one thing we can't live without, each other? Life is full of moments. Big moments. Little moments. And none of them are inconsequential. Every single moment prepares you for that one instance that defines your life. You must overcome all your fears, confront the demons that chase you, and cleanse the poison that clings to your soul or you risk the chance of losing everything. Mine started the minute Rylee fell out of that damn storage closet. She made me feel. Made me whole when all I thought I could ever be was incomplete. Became the lifeline I never knew I needed. Hell yes, she's worth the fight...but how do you fight for someone you know you don't deserve? Love is full of ups and downs. Heart stopping highs. Soul shattering lows. And none of them are insignificant. Love is a racecourse of unexpected twists and turns that must be negotiated. You have to break down walls, learn to trust, and heal from your past in order to win. But sometimes it's the expected that's the hardest to hold on to. Colton has healed and completed me, stolen my heart, and made me realize our love's not predictable nor perfect—it's bent. And bent's okay. But when outside factors put our relationship to the test, what lengths will I have to go to prove to him that he's worth the fight? Whoever said love is patient and love is kind, never met the two of us. We know our love is worth it—have acknowledged that we were meant to be—but when our pasts crash into our future, will the repercussions make us stronger or break us apart?

Originally published in 1920, this book contains the annotated account book of Sarah Fell, the step-daughter of George Fox, the founder of Quakerism. Fell kept the family accounts in this book from 1673 to 1678, and the result is an interesting look into the economy of a gentleman's household immediately following the Restoration, as well as evidence of the role played by women in household management. This book will be of value to anyone with an interest in daily life in the late seventeenth century.
