

## Darkness Of Dragons Wings Of Fire Book 10

Qibli knows Darkstalker must be stopped. And he knows he could stop him -- if he had magic. With even a sliver of the ancient dragon's all-powerful scroll, Qibli could rewrite history the right way: end war forever; make every dragon happy; perhaps even cast a very small spell so that everyone would like him . . . Instead, as Darkstalker's dangerous influence spreads across Pyrrhia, entrancing or killing every dragon in the seven tribes, Qibli can only grasp the small animus objects he's borrowed from Turtle. With some clever thinking, Qibli's talons finally hold the power to make a difference. But prophecies are not easy to rewrite. Can Qibli be the magical force Pyrrhia needs, or will he be the one to bring Jade Mountain -- and his family, his friends, his whole world -- crashing down?

Birdie Gaux's dog, Bowser, considers himself in charge of security at 19 Gentilly Lane, so when the house is broken into Bowser wants to find the man with the limeade aftershave (and the cat) responsible--but nobody seems to know what the culprits were looking for, or why a strange girl is asking questions about Birdie's father, a policeman who was killed in the line of duty years before Bowser was adopted.

Qibli knows Darkstalker must be stopped. And he knows he could stop him--if he had magic. With even a sliver of the ancient dragon's all-powerful scroll, Qibli could rewrite history the right way: end war forever; make every dragon happy; perhaps even cast a very small spell so that everyone would like him...

But prophecies are not easy to rewrite. Can Qibli be the magical force Pyrrhia needs, or will he be the one to bring Jade Mountain--and his family, his friends, his whole world--crashing down?
