

## Ken Tyrrell The Authorised Biography

'Whenever I see Martino I am reminded of how little I know about life and death compared to him. How we don't know what is within us or what may lie on the other side. I hope it's as magical and beautiful as this book.' --Russell Brand When film producer Martino Scavi began experiencing intense headaches, he attributed them to his frenetic lifestyle. As it turned out, he had grade 4 brain cancer and was given 18 months to live. After undergoing brain surgery - while awake - Martino found he had lost the ability to recognise words. His response was to close his eyes and begin to move his fingers across the keyboard to write this, an account of life before diagnosis and since. Defying all predictions Martino is still very much alive, words read out to him by the monotone of a computerised voice he calls Alex. But he must now live in a new way. This book - that he has written but cannot read - charts the effects of his experience: on his relationship with his young son, his marriage, his work and with himself. In the wake of his illness, everything must be reconfigured and Martino is made to question the habits, dreams and beliefs of his old life and confront the present. What he finds is strange and beautiful. Searching for the words between life and death, Scavi shows that with determination and a subtle, persistent sense of humour, it is possible to change the story of our lives.

**BACK IN PRINT AND BETTER THAN EVER!** For more than six decades, Joe Besser brought gales of laughter to millions—in vaudeville, on Broadway, on radio, in motion pictures, and on television. From his days working as a bumbling assistant to the world-famous Thurston the Magician, he carved out success with his own act—that of a childlike sissy who brandished his foils with a flick of the wrist and such hilarious verbal assaults as “Ooh, you crazy you!” and “Not so f-a-s-t!” From stage to film and television screens, the famed roly-poly comedian left an indelible mark—from starring in his own feature films and short-subject series for Columbia Pictures, to dishing out huge laughs on scores of popular programs of the day, most notably as the malevolent brat “Stinky” on *The Abbott and Costello Show*, to stepping in to replace Shemp Howard after his death as a member of *Three Stooges* comedy team. Followed by countless more laugh-out-loud performances in movies and on television, from playing the frustrated superintendent, Jillson, on *The Joey Bishop Show* to voicing Saturday morning cartoons, his legacy still lives on today, thanks to reruns of his classic work. Illustrating a passing age of American humor, **ONCE A STOOGES, ALWAYS A STOOGES** tells the whole story. Jam-packed with timeless remembrances, Besser vividly recounts it all—the personal ups and downs, the classic skits and routines that became his hallmark, and behind-the-scenes stories of show business icons who enriched his life and career, including *Abbott and Costello*, Fred Allen, Jack Benny, Milton Berle, Sammy Davis, Jr., Jerry Lewis, Olsen and Johnson, and many others. Previously unpublished anecdotes incorporated throughout, plus hundreds of new, many rare and one-of-a-kind illustrations and extensive appendices of the legendary funnyman's stage, film, radio and TV appearances, round out this charming and thoughtfully written memoir. **PRAISE FOR THE ORIGINAL EDITION:** “An affectionate, thoroughly enjoyable remembrance of a lifetime spent on the road and on the screen.” -- *LOS ANGELES TIMES* “A fascinating look at the development of American entertainment from a person who managed to experience it all . . .” --*PHILADELPHIA INQUIRER*

**LONGLISTED FOR THE WILLIAM HILL SPORTS BOOK OF THE YEAR 2018** This is my life, not the stuff you've seen, but the things you haven't. This is my childhood growing up in the West Country, my struggles, my doubts and my hopes. It's the people I've met in my seventeen years in Formula One, many of whom I've loved, some of whom I definitely haven't. It's the laughs I've shared, the battles I've fought, some on the track with rivals and friends like Fernando Alonso, Lewis Hamilton and Sebastian Vettel. It's the pressure I struggled with as I closed in on my World Championship in 2009, it's the calm I felt every time I settled into the cockpit. It's my dad - the many times he saved me, the one moment he doubted me, the hole in my life he left me. It's everything in one go, the good days as well as the bad. A life lived not just as a racing driver but, ultimately, as a human being.

... John Cooper designed and built some of the best cars ever raced. He began with the Cooper 500, a then revolutionary car assembled wrecked Fiats in the parts-scarce days just after World War II. Next came the Cooper 1000, and then it was "more power, more speed, more everything", as Cooper says, until the Mini Cooper, the famous "S", and the great Cooper Climax Formula One that began sweeping the Grand Prix circuit in 1959 ...

Fat City is a vivid novel of allegiance and defeat, of the potent promise of the good life and the desperation and drink that waylay those whom it eludes. Stockton, California is the setting: the Lido Gym, the Hotel Coma, Main Street lunchrooms and dingy bars, days like long twilights in houses obscured by untrimmed shrubs and black walnut trees. When two men meet in the ring -- the retired boxer Billy Tully and the newcomer Ernie Munger - their brief bout sets into motion their hidden fates, initiating young Ernie into the company of men and luring Tully back into training. In a dispassionate and composed voice, Gardner narrates their swings of fortune, and the plodding optimism of their manager Ruben Luna, as he watches the most promising boys one by one succumb to some undefined weakness; still, "There was always someone who wanted to fight."

Four-time Formula One Drivers' Champion Alain Prost is one of the best racing drivers of all time. Having discovered karting at the age of 14 during a family holiday, Prost progressed through motorsport's junior ranks, winning the French and European Formula Three championships, before joining the McLaren Formula One team in 1980 at the age of 24. In his six seasons with McLaren, Alain Prost won 30 races and three driving titles and in 1985 he became the first French World Champion. In 1986 he became the first back-to-back champion since Jack Brabham 26 years earlier. In 1987, his 28th Grand Prix victory beat Jackie Stewart's 14-year-old record. However, in 1988 his brilliant new team mate Ayrton Senna won eight races and the driving title. Thus began the sensational rivalry that conspired to push two of the sport's greatest drivers to unprecedented heights of success and controversy, and the most bitter feud in Formula One history.

The hugely entertaining, and extremely candid, autobiography of one of the most colourful characters in motor sport Eddie Jordan gave Michael Schumacher his first drive, and helped groom a whole series of drivers early in their careers, including Damon Hill and Johnny Herbert. Jordan set up his own team, and moved into Formula One at the end of the 1980s. It wasn't long before the team began to pick up podium finishes, and in 1998 won its first race - a remarkable achievement on a comparatively small budget. The following year was even better, but

In 1967, after a session with a psychiatrist she'd never seen before, eighteen-year-old Susanna Kaysen was put in a taxi and sent to McLean Hospital. She spent most of the next two years in the ward for teenage girls in a psychiatric hospital as renowned for its famous clientele—Sylvia Plath, Robert Lowell, James Taylor, and Ray Charles—as for its progressive methods of treating those who could afford its sanctuary. Kaysen's memoir encompasses horror and razor-edged perception while providing vivid portraits of her fellow patients and their keepers. It is a brilliant evocation of a "parallel universe" set within the kaleidoscopically shifting landscape of the late sixties. *Girl, Interrupted* is a clear-sighted, unflinching document that gives lasting and specific dimension to our definitions of sane and insane, mental illness and recovery.

An autobiography of Stuart Turner, one of the leading motorsport figures of the last 40 years. He includes anecdotes about many of the top race and rally drivers, including several World Champions, whom he knows personally.
