The New Oxford Annotated Bible offers a vast range of information, including extensive notes by experts in their fields; in-text maps, charts, and diagrams; supplementary essays on translation, biblical interpretation, cultural and historical background, and other general topics. Extensively revised, the Annotated Fourth Edition adds to the established reputation of this essential biblical studies resource. This timely edition maintains and extends the excellence the Annotated's users have come to expect, bringing still more insights, information, and perspectives to bear upon the understanding of the biblical text.

For 25 years the Holman Illustrated Bible Dictionary has been the go-to Bible reference resource for lay Bible students, teachers, pastors, academic courses, and libraries. Now this bestselling dictionary has been UPDATED with 200 new articles and over 500 new photos compiling a collection of over 6,500 articles from Aaron to Zuzite are written so as to equip the reader for greater competence in understanding and interpreting the Scriptures. TAn excellent companion to the Holman Illustrated Bible Commentary. Touch may well be one of the least understood or talked about subjects in the helping professions. A discussion on the importance and ethics of positive, caring, and appropriate touch in professions such as teaching, nursing and counselling is long overdue. Touch in the Helping Professions delivers just that, weaving together scholarly evidence, research and clinical practice from a wide range of perspectives encompassing philosophy, theology, psychology, and anthropology to challenge assumptions about the role of touch in the helping professions. The contributors to the volume focus not only on the overarching roles of gender, age, culture and life experience, but go beyond to encompass canine-assisted therapy, touch deprivation, sacred objects, as well as key ethical considerations. The prevailing lack of dialogue, due to fear of contravening ethical boundaries, has stood in the way of an open and responsible discussion on the use of touch in therapy. Touch in the Helping Professions is a welcome and much needed contribution to the field—a window onto a fundamental need. This book is published in English. - Cet ouvrage offre un ensemble de données probantes et de résultats cliniques à l'appui du toucher dans le développement physique et émotionnel. Il est structuré selon trois axes : la théorie sur le toucher; la pratique du toucher dans un contexte de thérapie, et les questions éthiques. Il aborde la question du rôle du genre, de l'âge, de la culture et de l'expérience de vie, des sujets comme la zoothérapie, la privation sensorielle, des objets sacrés, et des considérations d'ordre éthique. Les approches variées – philosophie, théologie, psychologie, anthropologie – remettent en question les présuppositions, offrent un contexte historico-culturel professionnel, et font appel à des données primaires. Les collaborateurs soutiennent que le toucher sain et non sexuel n'est pas suffisamment enseigné dans le cadre de la formation professionnelle. Cette absence de dialogue – engendrée par la crainte de dépasser des bornes éthiques, fait en sorte qu'une

discussion ouverte et responsable sur l'utilisation du toucher dans un cadre thérapeutique ne peut avoir lieu, alors même qu'elle contribuerait aux balises théoriques de notre compréhension de cet enjeu fondamental. Ce livre est publié en anglais.

The REB updates The New English Bible, retaining the latter's elegant literary style, but removing its archaisms. The REB employs a modest amount of inclusive language (e.g. 'brothers and sisters' for 'brothers') and is good for public reading. Like the NEB before it, the REB is a British translation, sponsored by all the main Christian denominations. This hardback includes just the Old and New Testaments and the page numbers match the Cambridge REB Lectern Bibles, so the hardback makes an excellent pew Bible. CD-ROM contains: Introductions and verse-by-verse commentaries to Genesis and Mark's Gospel -- Logos Library System.

Daily life in Ancient Israel - Great prophets including, Hosea, Amos, Isaiah - People and lands of the Old Testament.

The writings of Ademar of Chabannes (ca 990-1034) on Jerusalem and the Cross offer a valuable, albeit at times, clouded window on many central developments of the pivotal tenth and eleventh centuries and why they are so central.

One of the most vexing issues that has faced the international community since the end of the Cold War has been the use of force by the United Nations peacekeeping forces. UN intervention in civil wars, as in Somalia, Bosnia and Herzegovina, and Rwanda, has thrown into stark relief the difficulty of peacekeepers operating in situations where consent to their presence and activities is fragile or incomplete and where there is little peace to keep. Complex questions arise in these circumstances. When and how should peacekeepers use force to protect themselves, to protect their mission, or, most troublingly, to ensure compliance by recalcitrant parties with peace accords? Is a peace enforcement role for peacekeepers possible or is this simply war by another name? Is there a grey zone between peacekeeping and peace enforcement? Trevor Findlay reveals the history of the use of force by UN peacekeepers from Sinai in the 1950s to Haiti in the 1990s. He untangles the arguments about the use of force in peace operations and sets these within the broader context of military doctrine and practice. Drawing on these insights the author examines proposals for future conduct of UN operations, including the formulation of UN peacekeeping doctrine and the establishment of a UN rapid reaction force.

A guide to interpretation as well as a definitive text, this updated volume is suitable for both scholars and general readers

A leading American evangelical minister—whom public figures long turned to for guidance in faith and politics—recounts his three conversions, from childhood Jewish roots to Christianity, from a pure faith to a highly politicized one, and from the religious right to the simplicity of Jesus' Sermon on the Mount. Rob Schenck's extraordinary life has been at the center of the intersection between evangelical Christianity and modern politics. Attacked by partisans on both sides of the aisle, he has been called a "right-wing hate monger," the "ultimate D.C. power-broker," a "traitor" and "turncoat." Now, this influential spiritual adviser to America's political class chronicles his controversial, sometimes troubling career in this revelatory and often shocking memoir. As a teenager in the 1970s, Schenck converted from Judaism to Christianity and found his calling in public ministry. In the 1980s, he, like his twin brother, became a radical activist leader

of the anti-abortion movement. In the wake of his hero Ronald Reagan's rise to the White House, Schenck became a leading figure in the religious right inside the Beltway. Emboldened by his authority and access to the highest reaches of government, Schenck was a zealous warrior, brazenly mixing ministry with Republican political activism—even confronting President Bill Clinton during a midnight Christmas Eve service at Washington's National Cathedral. But in the past few years Schenck has undergone another conversion—his most meaningful transition yet. Increasingly troubled by the part he played in the corruption of religion by politics, this man of faith has returned to the purity of the gospel. Like Paul on the Road to Damascus, he had an epiphany: revisiting the lessons of love that Jesus imparted, Schenck realized he had strayed from his deepest convictions. Reaffirming his core spiritual beliefs, Schenck today works to liberate the evangelical community from the oppression of the narrowest interpretation of the gospel, and to urge Washington conservatives to move beyond partisan battles and forsake the politics of hate, fear, and violence. As a preacher, he continues to spread the word of the Lord with humility and a deep awareness of his past transgressions. In this moving and inspiring memoir, he reflects on his path to God, his unconscious abandonment of his principles, and his return to the convictions that guide him. *Costly Grace* is a fascinating and ultimately redemptive account of one man's life in politics and faith.

** £9.99 introductory price for the first 3 months (£12.99 thereafter) **A Bible for study and proclamation. The Revised New Jerusalem Bible presents anew the scholarship, character and clarity of the 1966 Jerusalem Bible (the first modern English version) and the 1985 New Jerusalem Bible. It is a Bible that prioritises accuracy of translation and richness of tone, written that 'the message might be fully proclaimed' (2 Ti 4:17). This volume presents the full New Testament and the Psalms, and a comprehensive set of study notes, cross-references and book introductions. 'Clear read' style. The biblical scriptures were written to be proclaimed, so the RNJB uses linguistic style and speech patterns best suited for being read out loud. Formal equivalence. The language, concepts and imagery of the original scriptures are presented more accurately by the RNJB than the colloquial approach of many other modern translations. Gender inclusion. The message of the Bible is for all people, so care has been taken to avoid traditional male bias of the English language, while remaining faithful to the meaning of the original scriptures. Revised Grail Psalter. The book of Psalms is based on the text of the 2010 translation of The Revised Grail Psalms. Modern measurements. Ancient systems of measuring and timing have been replaced by modern, metric equivalents. Comprehensive study notes. The notes, cross-references and book introductions of the JB and NJB are replaced in the RNJB by new materials which reflect the fruit of the most up-to-date and ecumenical scholarship. The Revised New Jerusalem Bible has been prepared and edited by The Revd Henry Wansbrough OSB, who was previously General Editor of the New Jerusalem Bible.

The Open English Bible project aims to create a translation of the Bible into formal but contemporary English which is completely free of copyright restrictions and available without cost for any purpose. The OEB has no restrictions on what its readers and users can do with it (for both good and bad). You may quote it, publish it in part or full, on their blogs, in your churches, remix it, reword it, correct its egregious translation mistakes or indeed add your own.

This substantially updated edition of a classroom standard provides students with an accessible introduction to the literature, history, and social context of the Old Testament. Written by two seasoned Old Testament professors, the book pays attention to methodology, archaeology, history, and literary genre and includes illustrations, sidebars, maps, and study questions.

A critically acclaimed modern translation of the Bible into English, based on the latest advances in biblical scholarship, features a concise two-column format for easier reading, a low price, and a reader-friendly design.

We increasingly recognize that Paul did not write his letter to the Romans primarily out of doctrinal concerns. Paul B. Fowler presses that insight home in this attentive, yet eminently readable, study of the letter's structure. The principles of Fowler's reading are that rhetorical questions in Romans 3:11 structure the argument, not as responses to criticism but as Paul's careful guiding of the reader, and that these chapters, like the paraenesis in Romans 12:15, address specific circumstances in Rome. Careful attention to the rhetorical structure of the letter points to tensions between Jew and Gentile that aggravate the already precarious situation of the Roman congregation. In the course of his argument, Fowler explodes the common conceptions that Paul employs diatribal technique to answer objections and that he is primarily engaged in a debate with Jews. In short, Fowler demonstrates that the apostle is not writing defensively, but responding with sensitivity to the volatile atmosphere caused by Claudius's expulsion of some Jews from Rome. The book includes an appendix on rhetorical devices and another on epistolary formulas in Paul's letters.

Commentaries on Early Jewish Literature is a new series in English dealing with early Jewish literature between the third century BC and the middle of the second century AD; it is scheduled to encompass a total of 58 volumes. The texts are intended to be interpreted as a textual unity against the background of their particular Jewish and historico-political contexts, with text-based, historical, literary and theological analyses being undertaken. The first volume, by Joseph A. Fitzmyer, is devoted to a commentary on the Book of Tobit (Tobias).

This text examines current literary theory and theological discussions and then applies these theories to a consideration of true and false biblical prophecy to reach an integrative resolution of authority and canon in a pluralistic context.

New type of commentary on Isaiah's continuing influence on language and imagery. First published in 1989, the Revised English Bible is a complete revision of the New English Bible. Sponsored and approved by all the main Christian denominations, this translation is widely used throughout the UK and abroad. This robust, economical Text Edition includes the Apocrypha, or Deuterocanonical Books, which many individuals and churches include in their bible reading. Suitable for church or school use as well as private study or devotions, this hardback comes with a handsome green jacket. It is an addition to Cambridge's 'standard text' family of Bibles, joining the King James Version and the New Revised Standard Version.

Covering nearly 1,400 information sources, this book maps the vast terrain of knowledge in humanities studies. Detailed annotations give users an in-depth view of the sources and thorough indexes provide easy access. Web resources are included on a highly selective basis. The number of information sources and the diversification of formats are revolutionizing library and scholarly practice. While accessing information is

easier, evaluation of resources has become increasingly more difficult. Covering a broader territory and more sources than previous editions, this book offers an up-to-date, reliable guide to nearly 1,400 of the most important and representative information sources in the immense discipline of humanities studies. Following the basic organization of previous editions, Blazek and Aversa present chapters on sources (reference tools) and access (ways to find and retrieve information) for each subject covered (e.g., language and literature, philosophy, visual arts). For the first time the authors have included web resources and their URLs on a highly selective basis. All sources have been reviewed, updated, and in many cases expanded. Computerized databases (both online and CD-ROM) are integrated with the books. Detailed annotations give users an in-d

Christianity's roots run deep with examples of strong faith from spiritual giants extending throughout history. One of the greatest needs today is for Christians to be lifted up from our current cultural moment and be refreshed by the insights and wisdom of ancient believers. Today's church can be renewed by listening to yesterday's saints. This CSB Study Bible for men and women features study notes and commentary from the writings of the church fathers of the second through fifth centuries to help you understand and apply their rich, biblical insights to your life, for preparation to teach or for Bible studies. Also included in the CSB Ancient Faith Study Bible are "Twisted Truth" call-outs describing where some ancient thinkers drifted from orthodoxy, over 25 feature articles highlighting a key selection from one of the early church fathers on an essential Christian truth, and biographies of 25 of the most influential patristic church fathers. The study Bible's commentary and writings are from: Irenaeus of Lyons, Origen, Justin Martyr, Tertullian, Clement of Alexandria, Ambrose of Milan, Augustine of Hippo, Athanasius of Alexandria, John Chrysostom, Jerome, the Cappadocian Fathers, and more. Features of this CSB Bible include: Study notes from the early church, exclusive feature articles, profiles of patristic fathers, "Twisted Truth" call-outs, author index to easily find commentary from individual church fathers, presentation page, book introductions, two-column text, 10.25-point type size, 8-point study notes, black-letter text, Smyth-sewn binding, Bible ribbon markers, full-color maps, and more. CSB Bibles by Holman feature the highly readable, highly reliable text of the Christian Standard Bible® (CSB). The CSB stays as literal as possible to the Bible's original meaning without sacrificing clarity, making it easier to engage with Scripture's life-transforming message and to share it with others.

The Oxford Handbooks series is a major new initiative in academic publishing. Each volume offers an authoritative and up-to-date survey of original research in a particular subject area. Specially commissioned essays from leading figures in the discipline give critical examinations of the progress and direction of debates. Biblical studies is a highly technical and diverse field. Study of the Bible demands expertise in fields ranging from Archaeology, Egyptology, Assyriology, and Linguistics through textual, historical, and sociological studies to Literary Theory, Feminism, Philosophy, and Theology, to name only some. This authoritative and compelling guide to the discipline will, therefore, be an invaluable reference work for all students and academics who want to explore more fully essential topics in Biblical studies. The beloved and timeless King James Version is made available in an edition priced right for Sunday schools, Bible clubs, church presentations, and giveaways. Offering affordable quality, these handsome award Bibles will withstand heavy use thanks to better quality paper and supple but sturdy cover material. A great way to honor special achievements-at a budget-conscious price A spectrum of attractive colors-black, burgundy, blue, royal purple, dark green, and white-suit any occasion Imitation leather, 640 pages, 5 8 inches Clear 7-point type Color maps and presentation page The words of Christ in red 32 pages of study helps Sewn binding Shipped with an attractive four-color half-wrap and shrink-wrap.

This is the first one-volume resource to introduce readers to the Bible by providing a complete overview of the world of biblical history and scholarship, plus commentary on the text
Indexable 1,824 pp.

The AAP's authoritative guide on preventing, recognizing, and treating more than 200 childhood infectious diseases. Developed by the AAP's Committee on Infectious Diseases as well as the expertise of the CDC, the FDA, and hundreds of physician contributors.

"How to Interpret Scripture reviews the subject of hermeneutics. It discusses a proper approach to Scripture and the use of principles of interpretation that will lead to sound conclusions"--

For over 50 years students, professors, clergy, and general readers have relied on The New Oxford Annotated Bible as an unparalleled authority in Study Bibles. This fifth edition of the Annotated, thumb-indexed and in a protective two-piece box, remains the best way to study and understand the Bible at home or in the classroom. This thoroughly revised and substantially updated edition contains the best scholarship informed by recent discoveries and anchored in the solid Study Bible tradition. · Introductions and extensive annotations for each book by acknowledged experts in the field provide context and guidance. · Introductory essays on major groups of biblical writings - Pentateuch, Prophets, Gospels, and other sections - give readers an overview that guides more intensive study. · General essays on history, translation matters, different canons in use today, and issues of daily life in biblical times inform the reader of important aspects of biblical study. · Maps and diagrams within the text contextualize where events took place and how to understand them. · Color maps give readers the geographical orientation they need for understanding historical accounts throughout the Bible. · Timelines, parallel texts, weights and measures, calendars, and other helpful tables help navigate the biblical world. · An extensive glossary of technical terms demystifies the language of biblical scholarship. · An index to the study materials eases the way to the quick location of information. The New Oxford Annotated Bible, with twenty new essays and introductions and others--as well as annotations--fully revised, offers the reader flexibility for any learning style. Beginning with a specific passage or a significant concept, finding information for meditation, sermon preparation, or academic study is straightforward and intuitive. A volume that users will want to keep for continued reference, The New Oxford Annotated Bible continues the Oxford University Press tradition of providing excellence in scholarship for the general reader. Generations of users attest to its status as the best one-volume Bible reference tool for any home, library, or classroom.
