The Bible is five books bound into a single volume. -- a screenwriting primer (provides a concise presentation of screenwriting basics) -- a formatting guide (presents both correct screenplay and teleplay formats) -- a screenwriting workbook (the writing process, from nascent ideas to revisions) -- a sales and marketing guide (offers a marketing plan and sales strategies) -- a resource guide (provides contacts for industry organizations, guilds and unions, schools, publications, support groups and services, contests, etc.)

Screenwriting Tip #99 Voice-over usually feels like scaffolding. You know-something you left in there when you were constructing the first draft, but really should have torn out after it served its purpose. Screenwriting Tip #120 Always remember that funny trumps everything. Your script could be written in crayon with your name spelled wrong on the cover, but if it's genuinely funny, none of that matters. Screenwriting Tip #156 The easiest way to write kick-ass protagonists is to make them incredibly good at what they do. Confused at the outline stage? Stuck in the swamp of Act Two? Don't know who your protagonist is or where she's going? You might feel like a hack. But don't worry-you're not alone. Even the most experienced writers feel like this at times. Sometimes we just need a few short pointers and reminders to set us on the path again. Xander Bennett worked as a script reader in the trenches of Hollywood, reading and covering hundreds of mediocre screenplays. After months of reading about heroic Sea World trainers, transgendered circus detectives and crime-fighting chupacabras,

he couldn't take it any more. Xander started a blog called 'Screenwriting Tips, You Hack', a place designed to provide short, witty tips on screenwriting for amateur writers all the way up to journeymen scribes. This book is the evolution of that blog. Dozens of the best scripts (along with many brand-new ones) have been expanded into bite-sized chapters full of funny, insightful, highly usable advice. Let Xander's pain be your gain as you learn about the differences between film and television structure, how to force yourself to write when you really don't want to, and why you probably shouldn't base your first spec script around an alien invasion.

but attainable goals that any motivated person can aspire to. Duncan includes sections on all aspects of screenwriting—from character development to story templates—and breaks down the three acts of a screenplay into manageable pieces. A Guide to Screenwriting Success contains dozens of exercises to help writers through these steps. The second half of Duncan's practical book covers another, often overlooked, side of screenwriting—the teleplay. Aspiring writers who also want to try their hand at writing for television will need to learn the specifics of the field. The book breaks down this area into two parts, the one-hour teleplay and the situation comedy. There is a section on writing and producing digital content that embraces the “Do It Yourself” attitude to approaching a career in the entertainment industry. Success in screenwriting is no longer a dream but an achievable goal for those who pick up Duncan's guide.

Film buffs will be thrilled by this memoir of Hollywood movie star Richard Arlen as told to Maxine Koolish and edited by her daughter, Judy Watson. The silent World War I film, *Wings*, set the standard for aviation movies with its realistic sequences and was the first-ever winner of the Academy Award for Best Picture. Arlen played a starring role in this enduring classic and in the Western talkie, *The Virginian*, another film that forever changed the way movies would be made. Having been center stage during the golden age of film, Dick Arlen provides an unparalleled look inside the world of Hollywood filmmaking in this fascinating book. "*Wings*" and *Other Recollections of Early Hollywood* is based on the collection of photographs, books, letters, manuscripts, tapes, and diaries discovered by Judy Watson among her mother's things after she died. Maxine Koolish had been by Dick's side during the thirteen years leading up to his death in 1976. A born chronicler and storyteller, Maxine served as the aging matinee idol's

Home is where the heart is... Seven years after leaving town and the only girl he loved, Cooper still couldn't forget about Sophia. He had two loves. Music and the woman of his dreams. Coming back home proved that would always be true. But things have changed. Now he has to gain her trust again if he wants to make her all his. The question is, did he lose his chance the first time? Some things are hard to forget... Sophia tried to stop loving Cooper and failed miserably. Despite the way he'd abandoned her seven years earlier, she can't seem to stay away, even though trusting him doesn't prove easy. One careless night could change it all and the secret she carries may ruin any chance of them being together. They say life is all about taking chances. But when opportunities are lost and love comes knocking the second time around, lives are changed forever.

Screenwriters have always been viewed as Hollywood's stepchildren. Silent-film comedy pioneer Mack Sennett forbade his screenwriters from writing anything down, for fear they'd get inflated ideas about themselves as creative artists. The great midcentury director John Ford was known to answer studio executives' complaints that he was behind schedule by tearing a handful of random pages from his script and tossing them over his shoulder. And Ken Russell

was so contemptuous of Paddy Chayefsky's screenplay for *Altered States* that Chayefsky insisted on having his name removed from the credits. Of course, popular impressions aside, screenwriters have been central to moviemaking since the first motion picture audiences got past the sheer novelty of seeing pictures that moved at all. Soon they wanted to know: What happens next? In this truly fresh perspective on the movies, veteran Oscar-winning screenwriter Marc Norman gives us the first comprehensive history of the men and women who have answered that question, from Anita Loos, the highest-paid screenwriter of her day, to Robert Towne, Quentin Tarantino, Charlie Kaufman, and other paradigm-busting talents reimagining movies for the new century. The whole rich story is here: Herman Mankiewicz and the telegram he sent from Hollywood to his friend Ben Hecht in New York: "Millions are to be grabbed out here and your only competition is idiots." The unlikely sojourns of F. Scott Fitzgerald and William Faulkner as Hollywood screenwriters. The imposition of the Production Code in the early 1930s and the ingenious attempts of screenwriters to outwit the censors. How the script for *Casablanca*, "a disaster from start to finish," based on what James Agee judged to be "one of the world's worst plays," took shape in a chaotic frenzy of writing and rewriting—and how one of the most famous denouements in motion picture history wasn't scripted until a week after the last scheduled day of shooting—because they had to end the movie somehow. Norman explores the dark days of the Hollywood blacklist that devastated and divided Hollywood's screenwriting community. He charts the rise of the writer-director in the early 1970s with names like Coppola, Lucas, and Allen and the disaster of Michael Cimino's *Heaven's Gate* that led the studios to retake control. He offers priceless portraits of the young William Hurt, Steven Spielberg, and Steven Soderbergh. And he describes the scare

of 2005 when new technologies seemed to dry up the audience for movies, and the industry—along with its screenwriters—faced the necessity of reinventing itself as it had done before in the face of sound recording, color, widescreen, television, and other technological revolutions. Impeccably researched, erudite, and filled with unforgettable stories of the too often overlooked, maligned, and abused men and women who devised the ideas that others brought to life in action and words on-screen, this is a unique and engrossing history of the quintessential art form of our time.

A smart, funny take on the Charles Dickens classic BLEAK HOUSE—for anyone who's ever held on to a dream just a little too long. New York writer Ricki Carstone knows the odds of Hollywood actually turning her debut novel, Jarndyce and Jarndyce, into a movie are slim. But Moxie Bernard, the most famous teen on the planet, has signed on to star in the option. Plus, the producer is throwing her a super fabulous party in Hollywood (with Moxie!) to celebrate the relaunch of her book with a younger, sexier cover. Maybe it will happen after all. Quitting her dead-end paralegal job to move out to Los Angeles and keep an eye on the project, Ricki meets a handsome out-of-work actor who encourages her to try her hand at screenwriting, and an experienced screenwriter who is willing to help her for a fee, which only starts out small.

My Overdue Book: Too many stories not to tell: spells out the varied episodes in the life of a man who spent decades working in Hollywood. He began as a little boy in Cincinnati impressed early on by the broadcasting magic of radio and then TV in the middle of twentieth century America. His drive to get into broadcasting culminates in an early success that gets interrupted by an unexpected sidebar in The US Army and a subsequent tour as an Infantryman in Vietnam in the late 1960's. His yearlong excursion in "Fun City East," with its repeated life and death experiences, had lifelong effects on this soldier-of-media. Following his wanderings through the jungles of Vietnam, Bright's interactions with many of America's top public figures throughout his decades in radio and television come to life with intriguing stories that are personal, professional, positive and negative. It's life without a filter! Readers across generations will share and co-experience numerous real life feelings and emotions with writer Bright as his winding trail of life opens in front of them.

book endorsement for peter bright; i always thought that peter bright and i had many things in common; we both grew up in ohio, we both had careers in the live event and variety side of television, and the few times we had times to talk i thought we shared a mutual philosophy toward the ups and downs of life. but it wasn't until i read his "overdue" book that i realized just what a rich and storied life peter has had and how much more deeply he had experienced the highs and lows, particularly during his years in the military, than i ever could have imagined. it really amazes me just how little we know about people we think we know, and just how much more we appreciate who they are when we are fortunate enough to have that background filled in by someone as articulate and

able to express both facts and feelings as peter has in this book. when i started to read it, i thought all of those common events that we shared would be an interesting parallel track to my life and as such i would have a great frame of reference, but as i read on, i realized just what an amazing story peter has to tell and just how well he tells it. ken ehrlich, executive producer, the grammy awards

A time to reflect on my seventy years of life. Maybe some folks will be interested in my life and the folks I have met, or maybe not. This is a non-traditional memoir, filled with alphabetical vignettes nit chronological ones. I have made a foray into fiction with an asterisk: in those cases where I have marked the vignette as fictional, it might be 100 percent not true, but in many cases I knew of, was part of, or heard from others about the story itself. At any rate, the entire book is my recollection of things past, and as in all recollections, the more distant the memory the clearer the details.

In this witty, probing, and sometimes hilarious account, Ian Hamilton traces the history of screenwriting from the crude subtitles of *Birth of a Nation* to the sardonic ironies of *Sunset Boulevard*--a film that opens with a screenwriter floating face down in Gloria Swanson's swimming pool. By 1950, when that Billy Wilder film was released, the image of the writer in Hollywood was well established: a guilt-ridden malcontent who'd sold out to Tinsel Town and was treated like dirt by the studio system. This is just one of the caricatures Hamilton challenges. There are the famous cases--Fitzgerald, Hammett, Chandler, Faulkner, and West--but Hamilton also explores the world of the professional screenwriters, those ex-newspapermen, failed playwrights, and New York wits who flooded into Hollywood during the Great Talkies Panic and stayed to take both the big money and the indignity of toiling on a literary assembly line, producing scripts that were then red-penciled by Hays Office censors, studio moguls, martinet directors, and wartime propagandists. Here are the great fights over screen credits on *Citizen Kane* and *Casablanca*. Here is Sam Goldwyn

In a hopeful attempt to interpret a recurring dream, a Hollywood actor books himself on an exotic tour to South America. Twenty years after the TV show that pushed him into childhood stardom, Leon Reinheart begins to feel his career plummeting when his summer blockbuster tanks at the box office. With nothing to lose, he decides to leave for six months in search of an answer to his persistent dream that is beginning to generate migraines. He books a luxury tour with Puma Travel, a company that caters to wealthy clients, including Adrik the minotaur and Hope Perkins, international pop diva. Adrik's discovery prompted his human father to push for more acceptance from the world, though he distances himself from humanity. Hope appears happy in her blossoming career except amidst the public eye. Her crush on Leon sours from his vanity and when her past catches up with her, she becomes desperate to escape it, forcing Adrik to rethink his heritage. Leon battles his ego in an effort to reconnect with Hope and as his migraines worsen, he decides to rid himself of the dream once and for all.
