Rick Joyner brilliantly relays a panoramic vision of the ultimate battle between the forces of good and evil, taking place just beyond the veil of this world. Guided by Wisdom, Joyner embarks on a journey from the battlefield were the hordes

of Hell wreak havoc, to the Mountain of the Lord and eventually through the ranks of Heaven itself. In the mid-1990s, Rick Joyner received a prophetic vision of the ultimate clash between the forces of good and evil. Guided by Wisdom, Joyner embarks on an incredible journey from a grim battlefield, where the hordes of hell wreak havoc, to the mountain of the Lord where he fights alongside fellow soldiers, eventually making his way through the ranks of heaven. The result of this brilliant, panoramic vision is the bestselling book *The Final Quest*. When first published it quickly topped the bestseller charts, selling more than one million copies and becoming an instant classic. His follow-up book, *The Call*, continues the larger-than-life saga, challenging readers to live out the truth they discover along the way. Packed with spiritual insights, *The Vision* now brings both classics together in a single book. Joyner's experience offers both encouragement and a warning to the faithful followers of Jesus. We must remain sober about our enemy and do everything we can to help prepare our brothers and sisters. And we must always remember we serve a loving God who gave Himself for us and is calling us to do the same.

"One of the greatest sources of prophetic vision is found by better understanding our past," says Rick Joyner. "I studied Christ's interaction with the apostles as well as the life of the early church to be obedient to a heavenly vision in which I was told that I would not be able to accurately foresee the future until I understood the past." In this important book Joyner looks at the life and ministry of the apostles and of later generations so that Christians today can close the openings the enemy has used to gain entry and do his deadly work. He examines the successes and failures of Christians of the past so we can better understand how to be God's servants today.

*Overcoming Evil in the Last Days* is the radical Christian's handbook for uncovering and defeating the evil that pervades our culture. As the gates of hell unleash their fiendish fury against the soul of man, the Church must be prepared to defend and to attack. Joyner lifts the veil on this heartless horde, exposing the face of racism, witchcraft, and religious spirits, while making the challenge clear: maintain our warrior stance against evil as we persist in our primary calling -- worshipping and loving God. The author presents Biblical teaching and analysis of a future spiritual battle here on earth, providing practical guidance for preparation and insights into possible outcomes.

For the short period of time that it lasted, The Welsh Revival was, in many ways, the greatest that the church has ever witnessed. Never has a region been so quickly or radically transformed for righteousness, or the world so impacted. The fire of this revival was so intense that when letters or newspaper stories about it were read in other parts of the world, revival would break out there too. Today, almost a century later, those who just read or hear the story are still moved with conviction, hope and the inevitable question: Will God do it again? Yes! The purpose of this book is to review the events

and lessons from one of the greatest moves of God of all time, in order to prepare for one that is even greater. Rick Joyner brilliantly relays a panoramic vision of the ultimate battle between the forces of good and evil, taking place just beyond the veil of this world. Guided by Wisdom, Joyner embarks on a journey from the battlefield where the hordes of Hell wreak havoc, to the Mountain of the Lord and eventually through the ranks of Heaven itself. By the end of the decade *The Final Quest* would top the bestseller lists multiple times and surpass a million copies sold worldwide. His follow up book, *The Call*, continues the epic saga, challenging readers to live out the truth they discover along the way. Now, *The Vision*, brings both classics together in a single volume. Throughout, Joyner offers both a warning and encouragement to the faithful followers of Jesus who must stand against the Enemy in these last days.

*The Torch and the Sword* is the long-awaited sequel to *The Final Quest* and *The Call*. Written for mature Christians, this book is not recommended for the spiritually timid. Continuing themes established in the previous books, *The Torch and the Sword* carries these themes further and deeper while venturing into new spiritual territories. *The Torch and the Sword* paints an increasingly broad and clear spiritual picture of our times. As Christians, we are called not only to endure the challenges with which we are faced, but also to prevail, seizing the great spiritual opportunities available to us. The truth of the gospel of Jesus Christ is the light which is stronger than any darkness. This book is a call to those who will love and stand for the Truth until His victory is complete.

In 2018 I had a dream of a coming second American Revolution/Civil War. In this dream I saw events that are now unfolding at a rapid pace. I saw the conclusion of our present trauma, and the triumph over the evil that has been subduing our land. I saw how this victory will be accomplished. This is what I saw. ~Rick Joyner

America is in the midst of a serious financial crisis: unemployment is up, homes are going into foreclosure, and every day it costs more and more just to get by. Economist Larry Bates understands the serious problems we face and in The New Economic Disorder he reveals the five powerful, dangerous, and unstoppable forces that are causing it. But with clarity and confidence, he turns to the Bible to help us to understand that there is a permanent, lasting solution to all our chronic economic ills. The New Economic Disorder provides an easy-to-understand analysis of our economy and your place in it, addressing such topics as: . The coming new world order and what it has to do with your finances. . Your financial privacy (hint, you don't have any...) . How

government manipulation has given us an illusion of prosperity . The debt bubble and what that means for your investments For those enmeshed in conflict--relational, internal, spiritual--Rick Joyner uses the image of the Tree of Knowledge of Good and Evil and the Tree of Life to explain its existence, and also how one can achieve victory over it.

Joyner's novel equips the readers with the necessary weapons to create a breach in the access of evil in the world. Joyner declares that the battle is for the hearts of people.

For as long as he can remember, Blake K. Healy has seen angels and demons. He sees them as clearly as he would see you if you were standing right in front of him. He sees angels dancing in worship services and whispering words of encouragement in people's ears. He also sees demons latching on to people and perpetuating addiction and bitterness in their hearts. The Veil chronicles how Blake matured in this gifting, while overcoming the fear and confusion of what he saw, how he learned to use his gift of seeing for God's glory, and how to teach others to do the same. This new and updated version of The Veil also includes a brief guide on how to begin growing in the gift of seeing in the spirit yourself, as well as an appendix of scriptural references to the spirit realm and angels, along with Blake's commentary on these passages.

The prophetic movements in church history and in contemporary life are fed by two mighty streams: the prophet, whose revelation is primarily verbal, and the seer, whose revelation is more visionary in nature. While the role of the prophet is familiar, less is known about the seer dimension. To many people, these visionary prophets remain mysterious, otherworldly, and even strange. Knowledge dispels misunderstanding. Join author Jim W. Goll on an exciting and insightful journey into this lesser-known dimension—the visionary world of the seer. You will discover the prophetic power of dreams, visions, and life under the open heavens. How does visionary revelation "happen?" Can it be trusted? Where does it fit into the life of the church today? Can any believer become a seer, or is this a prophetic dimension reserved for the specially-gifted? The Seer answers these questions and will move your heart and stir up your hunger for intimacy with God, because The Seer's goal is to reveal the man Christ Jesus!

The practice of witchcraft has dramatically increased throughout the world in recent years. Discerning the nature of attacks from those who practice witchcraft and knowing how to overcome them is becoming crucial for all believers. Church history is one of the most compelling and interesting parts of human history, filled with wisdom and understanding about how the heights of human greatness can be attained or how the worst mistakes can be made. A popular quote and truth is, Those who do not know history are doomed to repeat it. Some of the greatest of all mistakes seem to be repeated by every generation, and only those with the wisdom and humility to learn from the past are likely to break this cycle. By learning from history, we can also multiply our victories.

Rick Joyner issues a call to arms in what he sees as the ultimate confrontation between light and darkness as predicted in Scripture. Spiritual warfare, he says, is waged with spiritual weapons that are divinely provided to all believers.

The Chosen Path follows Zoe from a secure existence to the ultimate adventure. She is called by the King on a life-changing quest to Remiah, the crowning mountain of love. Along the way she is faced with many choices—each of which holds the power to change her life. The King sends friends en route to help her, but if she is ever to reach Remiah, she must be changed, overcome fear, and many enemies. The risks are great, but the rewards will be far greater if Zoe can complete her journey. The Chosen Path is a call to leave the comfortable to pursue a victorious, fulfilling life.

The greatest adventure that can be experienced in this life is a true walk with God. This book is about a circle of people who have given their lives to that pursuit, and the incredible journey it has been.

Rick Joyner says, "We have tended to over-focus on the end of the age—the end times. But this is not just the end, it's the beginning of a new age when Christ will rule over the earth! For the church to reclaim the high ground of hope for the future, we must begin to proclaim the beginning, the coming of the kingdom." In *A Prophetic Vision for the 21st Century*, Joyner discusses why revival tarries for America, what it means to be delivered from the Mark of the Beast, the rise and fall of America, the greatest awakening, a famine in the land, and practical ways to serve in the latter days. It includes encouragement for weary church leaders as well as the second part of *The Hordes of Hell are Marching*, illustrating the unified church rising as an army in the most pivotal battle of all time between the light and darkness.

The ministry of the apostle is the linchpin ministry of the church, and without it the church cannot become what it is called to be. While the world and much of the church has focused on scandals and problems in the church, that which is now being called 'The New Apostolic Reformation' emerged and quickly became, not only the fastest growing part of the church, but the fastest growing religious movement of any kind on the earth. For this reason the subject addressed by this book is one of the most important for our times.
