The Trail Of Blood Following The Christians Down Through The Centuries Or The History Of Baptist Churches From The Time Of Christ Their Founder To The Present Day

Finally! The ideal guide through the process of salvation, fully explained. Written for non-Christians and nominal Christians. Excellent for teaching leaders and lay people how to explain the gospel. Engaging style, reflection questions and practical prayers make it the perfect tool.

Megan Conroy thinks she has problems; she's struggling to pass math and with only one year of high school left she still has no idea what she wants to do with her life. She certainly never thought she'd become a witch. A near miss from a speeding car triggers an inexplicable rush of power within her, leading to strange, recurring dreams and encounters with even stranger creatures. After being saved from a demon by her classmate Finn, she finally starts getting some answers. Meg, he explains, is now an awakened witch; a person whose dormant magic has been brought out by trauma. Real witches, she learns, are nothing like the broomstick-riding figures she's used to from movies. The descendants of an ancient tribe who made an alliance with the Fae, Witani are born with magic and have the ability to see the spirits who oversee the natural world. She receives another shock looking through study abroad brochures when she finds a picture of the same standing stone from her dreams. This prompts her to choose Scotland as her destination, where the stone is located. As

she's drawn ever deeper into the secret world of magic and Fae, she wrestles with the dilemma of whether or not to tell her parents about her new life. But it's not long before she has far more to worry about. Her arrival in Scotland sets a series of events in motion that will change her forever; bringing with it new friends, love, and danger.

Christ's death on the cross offers victory over bitterness, addictions, occult bondage, and debilitating strongholds. Encounter! Receive Christ's Freedom will show you how to apply Christ's victory to your own life. This book is an excellent resource for someone who is bound by sinful habits or who simply needs to live an abundant life. It explains clearly how to receive the fullness of the Holy Spirit and then to walk in the Spirit's power. It's a great resource to use individually or in a retreat setting. In the back of the book, there's a coach's section to help guide someone else through the contents of this book. Topics include: Repentance and forgiveness; The power of the cross over sin, Satan, and demonic strongholds; How to receive inner healing; Freedom from the fear of death; How to be filled with the Spirit.

Dr. Lyon shows that the Bible promises healing by Jesus if we fulfill the requirements of believing His promises. He points out the Divine healing as the Bible teaches can be instantaneous, gradual, by the use of means, and even death is a form of healing. He also discusses old age and our service for the Lord. The booklet is not only a presentation for Biblical healing, but a manual showing how we can experience healing and be an instrument for divine healing. When Nora Kane discovers her best friend murdered and her boyfriend the apparent killer, she is caught up in a web of secret societies and conspirators, all searching for a device purported to allow direct communication with God.

"It was the best of church, it was the worst of church..." [not Charles Dickens] In some ways, the church has a horrendous

Download Ebook The Trail Of Blood Following
The Christians Down Through The Centuries Or
The History Of Baptist Churches From The Time
Of Christ Their Founder To The Present Day

track record and is deserving of much of the hate, accusation and mistrust it has received. But, in many other ways, the church has also been monumental in affecting great systemic change, being first on the scene in crisis and on the forefront of reaching out to and loving well those considered the least of these. To those of you who believe church is the worst thing ever: You're right! To those of you who believe church is the best thing ever: You're right! The church was God's idea and it is the plan He has chosen to bring transformation to a world desperately in need of a deeper experience of His love. He doesn't appear to have a plan B. We are it! I call this book, 'i, church' because more than a building or a meeting or a list of do's and don'ts, the church is about the people. It is about me. And it is about you. If you love Jesus and have chosen to follow Him, then you are the church. Let's figure out together how to be the best church we can be. "Brett Anderson weaves a picture of the church that is stark and real. He sees through church politics and denominational blinkers and defines the core of what the church is and isn't and what God desires it to be." [Bruce Collins, legend and appreciator of good coffee]

Cancer sucks, death sucks even more. But we humans don't have the power to stop either of them from messing with our lives. They enter our lives whenever and wherever they choose to. Cancer is so common that each one of us have known someone who has dealt with the disease; some of us have lost a loved one to cancer. Common does not always mean simple, and it also does not mean we know everything about it. The diagnosis of cancer, regardless of the disease's curability, is almost always nerve-racking, even for healthcare providers like the main character of this book who is a veteran nurse. This book is written in first person; the subject is a middle aged woman who had been separated from her boyfriend some thirty years ago and then after three

Of Christ Their Founder To The Present Day

decades when she searches for an oncologist for treatment of an aggressive cancer that she was recently diagnosed, she finds her ex-boyfriend's name and decides to see him. That brings back the memory of their past together, and she starts going through her old diary she had written some thirty years in the past. Part of the story is set in Nepal (from the diary) and the other part is set in the USA (this takes place after her cancer diagnosis). The main character of the story was born with 'Manglik' cosmic influencer, meaning that the planet Mars "mangal Graha" was in such position in the solar system at the time of her birth that it would have strong negative effect on her husband if she married a man who was non-Manlik (a person born at the time when the planet Mars was not in such position.) What happens next changes the lives of the main characters.

This book is laden with **POWERFUL PRECIOUS DECLARATIONS** which can be taken [applied] like medicine. **SPEAK** it as prescribed several times a day over situations, crisis, circumstances, challenges, turmoil, doubt, fear, sickness and so on. God spoke everything into being & we are made in his image, hence we also have the power to **DECREE, DECLARE & ORDAIN** and supernaturally take charge by **SPEAKING OVER** everything or anything facing us. All we need do is believe! This book is for those willing and ready to take charge of their lives, their living and be **TRANSFORMED** through the **POWERFUL** declaration of **SPOKEN** words! This book will set you free in the name of Jesus. All you have to do is believe!

former mentor Joel Pilarsky to help recover a cache of stolen jewelry belonging to Jewish refugees from the Holocaust, only to discover that a priceless missing gem--the Shanghai Moon--may be among the jewels.

Dr. Phil Stringer has made a tremendous contribution to the Baptist cause by writing this volume, "The Faithful Baptist Witness." First of all, it is a valuable resource for the local church. Secondly, it is a compendium of information that is thorough enough to make it useful as a text on the subject of Baptist history for any college classroom. Finally, it is written to persuasively advance the idea that we should unashamedly be, and remain, Baptists! Read this book for all it is worth, then pass it on to everyone that you know!

On October 28th 1890 the great wall of the Barsdon Dam gave way, and the Eagle Star reservoir buried the small Arizona town of Jackson Hope under forty feet of water. Men, women and children perished in the devastating flood, nobody survived. For over a hundred years the town lay forgotten at the bottom of a vast lake, but it has been a particularly harsh summer in Arizona, and the town is starting to emerge. Experts will come and survey the land, hoping to prospect for a bright and lucrative new project, but they will get more than they bargained for. Bit by bit they will uncover the truth behind the disaster which wiped a small farming community off

the map, and as they do they will learn with devastating consequences that some secrets should stay buried forever.

Albert the Great was born in Swabia, the son of a military nobleman. He was a Dominican priest who taught theology in Cologne and Paris. His most distinguished student was Saint Thomas Aquinas. Albert was called "Doctor universalis" because his breadth of knowledge spanned not only philosophy and theology but all the natural sciences. He was a dedicated student of nature, and although he argued that the physical world can only be known reliably through observation and comparison, Albert distinguished between truths, which are naturally knowable, and mysteries, which cannot be known without revelation. People can only reach God through Himself - that is, by leaving behind the entanglements of earthly things and contemplating Him exclusively. The image and reality of God's incarnation in Jesus gives human beings the opportunity to attain a more perfect knowledge God through contemplation. Albert refers to the teaching of St. Peter, "Cast all your anxiety on him, because he cares for you."

J. M. Carroll's excellent history of the Baptist church and movement illustrates events over the centuries, with references to a chart appended at the beginning of the book. First released in 1931, Carroll's superb church history attracted great praise for successfully

summarizing all major events and turning points in the history of Baptism. The author sets out his work chronologically, from the time Jesus Christ lived and died upon the cross in 25 - 35 A.D., to the initial manifestations of organised Christianity, its growth during the Dark Ages, the Reformation, and finally the 19th and 20th centuries. Named ""The trail of blood,"" for the amount of hatred and persecution Baptists had endured over the ages, this book sets out to demonstrate how Baptism grew from a small niche of believers into an accepted movement firmly in the mainstream of Christian faith. Carroll identifies and explains a number of violent persecutions by the Roman Catholic Church, which disagreed broadly with Baptist doctrine.

As a young urban youth worker, Ted Travis was captivated by a question posed by Christian community development pioneer Dr. John Perkins: "How do we build incentive in inner-city youth, motivating them toward Christ and a life of meaning and purpose?" Over the next 30 years, Ted wrestled with this question as he and his wife Shelly ministered to hundreds of teens in Denver's Five Points neighborhood- an inner-city community facing the daunting challenges of poverty, gangs, crime, and unemployment. Along the way, Ted pressed biblical principles and tried-in-the-trenches strategies into a philosophy of youth leadership development he calls "transformational discipleship." In Building

Cathedrals, Ted shares his blueprint for transformational discipleship (as well as accounts of its profound impact on young people) and exhorts today's youth workers to reimagine their ministries and raise up a new generation of visionary urban leaders. This book has been revised and expanded, including the addition of a index.

Consultant Harry West is hired by the government in Hong Kong to evaluate a business deal promoted by the son of one of the richest men in Asia. But after Harry arrives in Hong Kong, he discovers the assignment is not what he expects. His client wants him to find evidence of money laundering and corruption, evidence that will kill the deal. Harry has no experience investigating criminal schemes. He harbors doubts about his courage, being all too aware that the people he might expose will stop at nothing to protect themselves. However, he needs the work. He takes on the assignment, and soon it requires him to draw on resources that he never knew he had. Along the way, Harry's journey is shaped by two women in Hong Kong, an American journalist who is investigating the same deal and a long-lost love who comes back into his life. A suspenseful story about intrigue, revenge, and the bonds of love and memory, *The Trail of Money* keeps the reader guessing until the end.

Dr. J. M. Carroll, the author of this book, was born in the state of Arkansas, January 8, 1858, and died in Texas, January 10, 1931. His father, a Baptist preacher, moved to Texas when Brother Carroll was six years old. There he was converted, baptized, and ordained to the Gospel ministry. Dr. Carroll not only became a leader among Texas Baptist, but an outstanding figure of Southern Baptists, and of the world. "Years ago he came to our church and brought the messages found in this book. It was then I became greatly interested in Brother Carroll's studies. I, too, had made a special research in Church History, as to which is the oldest Church and most like the churches of the New Testament. "Dr. J. W. Porter attended the lectures. He was so impressed he told Brother Carroll if he would write the messages he would publish them in a book. Dr. Carroll wrote the lectures and gave Dr. Porter the right to publish them along with the chart which illustrates the history so vividly. "However, Dr. Carroll died before the book came off the press, but Dr.

Porter placed them before the public and the whole edition was soon sold. Now, by the grace of God, we are able to present this 66th edition of 20,000. I want to ask all who read and study these pages to join me in prayer and work that an ever-increasing number shall go forth. "To make all men see what is the fellowship of the mystery which from the beginning of the world hath been hid in God, who created all things by Christ Jesus; to the intent that now unto the principalities and powers in Heavenly places might be known by the Church, the manifold wisdom of God ... unto Him be glory in the Church by Christ Jesus throughout all ages, world without end, Amen." (Eph. 3:9-10, 21)" -Clarence Walker

This book will allow you to experience, as you read, what it was like for this woman of God, as she graciously started ministry at just 18 1/2 years old. Elder, Evangelist, Della Clark, has been called, chosen, and appointed by God to go into all the world to preach the Gospel of Jesus Christ. She is equipped and anointed to finish the work that He has called her to do. This book is a great read, and as you peel back each page, you will begin to see, that, on her journey, she has made full proof of the ministry by the power of the Holy Spirit. Elder, Evangelist, Della Clark, boldly confesses with conviction that "No devil in hell can stop it" because her work and call into the ministry is ordained by God. And I thank Christ Jesus our Lord, who hath

enabled me, for that, he counted me faithful, putting me into the ministry; 1Timothy 1:12KJV Authors note... Keep pressing on as you are courageous and free and never held back by fear, intimidation, or defeat. The battle belongs to the Lord, and He has the final victory...

A learned and uniquely constructive book that gently urges "suspicious" Christians to reclaim the patristic roots of their faith. Written to help Protestant Christians recognize the early church fathers as an essential part of their faith, this book is addressed primarily to the evangelical, independent, and free church communities, who remain largely suspicious of church history and the relationship between Scripture and tradition. D. H. Williams clearly explains why every branch of today's church owes its heritage to the doctrinal foundation laid by postapostolic Christianity. Based on solid historical scholarship, this volume shows that embracing the "catholic" roots of the faith will not lead to the loss of Protestant distinctiveness but is essential for preserving the Christian vision in our rapidly changing world.

Gracanica. Kosovo, 1689: Elena, an Albanian peasant girl, has sacrificed her own future to keep her family from starving, but one horrific night they are taken from her, murdered by monsters out of her nightmares. She seeks refuge at the nearby monastery, where she meets Stjepan, a Serbian

monk familiar with creatures that stalk the night.

Elena longs to return to her farm, but piecing her life back together may be impossible. Stjepan draws her into a dark conspiracy involving an ancient brotherhood, and as war looms, a stranger named Lek appears, threatening to overturn everything she thought she knew about her family and herself.

Sarajevo, Bosnia and Herzegovina, 1999:

Since surviving the showdown between the vampire Yasamin and the terrorist group S leyman's Blade, Adam Mire has lived in hiding, posing as an unassuming Czech librarian. His life is upended again, however, when a new threat arises-one intent on using Dracula's legacy to unleash another wave of violence across the already war-ravaged nation. Meanwhile, Clara MacIntosh, the love Adam left behind, has come to Eastern Europe to find him. While tracking him down, she becomes entangled in a string of grisly murders-deaths Adam is investigating as well. As they both follow clues literally written in blood, time runs short to unmask the killer before history comes full-circle and chaos engulfs the region again.

Nephilim are descended from Angels. Everyone knows the Angels died out eons ago. But not all Nephilim believe that. My grandfather didn't, and neither does my brother. After the search for the Angel brings us to Australia, rumours arise that Ibirra Corp has found the body of an Angel. They want it

for its DNA. When they find out that we're on the trail of a live Angel, they'll go to great lengths to find him first. Including harming our family. With time running out and Ibira Corp not far behind, suddenly we're in a race to decipher the clues. My name is Zeph Angelis And I've got an Angel to find.

During every period of the Dark Ages there were in existence many Christians and many separate and independent Churches, some of them dating back to the times of the Apostles, which were never in any way connected with the Catholic Church. They always wholly rejected and repudiated the Catholics and their doctrines. These Christians were the perpetual objects of bitter and relentless persecution. History shows that during the period of the ½Dark Ages,½ about twelve centuries, there were about fifty millions of these Christians who died martyr deaths. Very many thousands of others, both preceding and succeeding the ½Dark Ages,½ died under the same hard hand of persecution. Theirs truly was a ½Trail of Blood.½ This little book is sent forth for the purpose of making known the little-known history of those FAITHFUL WITNESSES of the Lord Jesus, who, as members of the CHURCH JESUS BUILT, ½Overcame Satan by the blood of the Lamb, and by the word of their testimony: and they loved not their lives unto death,½ Rev. 12:11.

What did one man do when faced with the unspeakable, untimely loss of his younger brother? He set out on a

2,186-mile thru-hike of the Appalachian Trail. Now he shares his journey of healing on the higher road in Don's Brother: A Hike of Hope on the Appalachian Trail. A tribute to faith, family, and personal fortitude, this moving account will captivate outdoor enthusiasts and anyone who is navigating the tough emotional terrain of grief. When the author's younger brother, Don, was diagnosed with ALS, Stephens promised to complete a thru-hike of the Appalachian Trail. However, the author may not have mentioned his method of doing so. Rather than carrying a full pack every day, he only occasionally slept in the woods, instead often opting for shuttles to nearby "trail towns" and beds. Along the way, he also committed to sharing Don's story, using the trail name "Don's Brother" and raising awareness for ALS. While reflecting on his brother's deep faith, devotion to family, and resolve in the face of his horrendous disease, the author's personal accomplishment and profound healing will move anyone to hit the road and take heart in the boundless capacity of brotherly love.

The year is 1671 during the time known as the Restoration in the England of King Charles II. London is recovering from the ravages of the Great Plague and the fire that destroyed more than half of the city. Scoundrels and earls, merchants and midwives, and remarkable personalities like William Penn, Isaac Newton, and Thomas Hobbes inhabit its teeming streets. Against this background, the notorious thief and swindler Colonel Thomas Blood is preparing to commit an audacious and daring crime. It is into this dizzying mix that D. is suddenly thrust, having slipped through a rip in time. But

can this very 21st century citizen make sense of such an alien world and, more importantly, stop the crime in time to fulfill the destiny that will guide D. home 350 years into the future? This book is time travel mystery based on the true story of the greatest crime of the 17th century.

Bullying. Homelessness. Abortion. Human trafficking. It doesn't take much searching to discover that there are a lot of things wrong in our world today. What could one person possibly do about all these issues? In I Dare You, Isabella Morganthal dares you to step out and make a difference in the world for Jesus Christ. She helps you dig deep and discover your passion, while encouraging you to do something about it. This is a dare to give everything you have to Jesus and watch Him do amazing things with your life. This is a dare to make your life count. This is a dare to change your world.

Jay, your average stoner from Portland Oregon, finds out when he's twenty-one that he is Jesus, the son of God. This may have been a good thing if it weren't for the fact that he had been molested early in life by a Catholic Priest. It is a comic and tragic tale of reincarnated Disciples, and a difficult choice on whether the world is worth saving. Jay grows up thinking he's a normal kid. Through a series of hilarious and heartbreaking adventures, he finally learns of his true identity, long after he was supposed to. His reincarnated disciples are a mixture of loveable and misunderstood characters that join Jay on a journey across the Country that leads them to Elvis, Oprah, jail, and near death experiences. And when Jay becomes too big for the Church to control, they confront a situation that could very well destroy the

world.

In attempting to write a history of the Baptists no one is more aware of the embarrassments surrounding the subject than the author. These embarrassments arise from many sources. We are far removed from many of the circumstances under survey; the representations of the Baptists were often made by enemies who did not scruple, when such a course suited their purpose, to blacken character; and hence the testimony from such sources must be received with discrimination and much allowance made for many statements; in some instances vigilant and sustained attempts were made to destroy every document relating to these people; the material that remains is scattered through many libraries and archives, in many lands and not always readily accessible; often, on account of persecutions, the Baptists were far more interested in hiding than they were in giving an account of themselves or their whereabouts; they were scattered through many countries, in city and cave, as they could find a place of concealment; and frequently they were called by different names by their enemies, which is confusing. Yet it is a right royal history they have. It is well worth the telling and the preserving.

God created us to be in relationship with him. Sin breaks this bond. Blood is thicker than milk, declares covenants born out of love and sealed with blood are stronger than sharing milk at the same mother's breast. Jesus, shed his blood and paid for our sin debt. Now the power of sin is broken, and kinship with God is restored.

After escaping the claws of Corrigan, the Lord Alpha of

the Brethren, Mack is trying to lead a quiet lonely life in Inverness in rural Scotland, away from anyone who might happen to be a shapeshifter. However, when she lands a job at an old bookstore owned by a mysterious elderly woman who not only has a familiar passion for herbal lore but also seems to know more than she should, Mack ends up caught in a maelstrom between the Ministry of Mages, the Fae and the Brethren. Now she has to decide between staying hidden and facing the music, as well as confronting her real feelings for the green eyed power of Corrigan himself. This is the second book in the popular urban fantasy series, Blood Destiny. This is not just a book just to be READ - it is a book to be SAID! "Death and life are in the power of the tongue, and they who indulge in it shall eat the fruit of it [for death or life]." Proverbs 18:21 If I could hand you a key that is guaranteed to change your life and circumstances; a principle that places the supernatural power of God on tap for every situation in your life and ministry, would you want to know what it is? Sometimes people shroud the simplicity of the gospel in a mess of religious rhetoric and theological confusion. Thankfully the Scriptures make plain and simple how we are to engage with God and receive and release His transforming power consistently in our everyday lives. In this practical Spirit-filled series of books, pastor and Bible teacher, David Lee Martin, unpacks the amazing truth concerning the power of the words that you speak, and shows clearly how you can apply this truth to change your world, and the world of those around you. This Edition: COLOSSIANS The book of Colossians is a book of putting off the old, and putting

on the new. The truths you are about to declare will uproot all that hinders you in your walk with God and with others, and firmly establish your present and true identity in Christ. Take the words on the following pages, salt them with your own thanksgiving, and let God's love and grace touch the very depths of your being. The Benefits of Applying the Word As with several of my other books, this one is intended to be applied. It's words and message are impotent if they are not vigorously acted upon. The 'His Word My Word' series of books take eternal truth and shape it for application right here and now! This series of books will train your tongue by planting the Word in your heart, and harnessing your testimony (the confession of your mouth) with the law of liberty - the perfect Word of our Father. Just a few the benefits you can expect as you act on what you read, and become a doer of the work include: -It renews the mind, building into your consciousness and expectation new truths to live by. -It moulds your vocabulary, harnessing your tongue to speak only those things God (and you) desire for your life. -It conforms your thoughts and words to His thoughts and Words. -It gives expression to the mind of Christ in any and all situations. -It raises our perspective from earthly to heavenly, from below circumstances to above them. -It banishes wrong thinking and emotions, replacing them with God's own thoughts - our emotions will always follow our thinking, and our thinking will follow the deposit in our heart, and the words of our mouths. -It gives you an actionable principle you can apply to combat any adversity you face with confidence. -It establishes Godly boundaries in your

Download Ebook The Trail Of Blood Following
The Christians Down Through The Centuries Or

Of Christ Their Founder To The Present Day

life. -It overcomes the devil's plans and purposes because you are never in agreement with him, and they cannot be established. -It develops new pictures of ourselves, ones that are shaped by God's unchanging love for us. -It equips us with the necessary weapons for the Holy Spirit to bring to our remembrance what is needed to overcome, any time our mind, body or spirit come under attack. -It brings every thought into captivity and conformity to Christ, resulting in increased spiritual authority in the spirit realm and in relationships and ministry. -It is health to our flesh and strength to our bones. There are many more wonderful benefits that flow from disciplining ourselves to speak the Word only, but I am sure that you already you agree, any investment we need to make putting this into practice is far outweighed by the promised returns. It is truly life changing, and a spiritual principle that will stand the test of time and every challenge that is thrown at it.

In January of 2013 Max was diagnosed with an incurable chronic inflammatory degenerative autoimmune disease. Contrary to all medical prognosis that Max will need multiple surgeries and will suffer in pain for the rest of his life, taking powerful anti-inflammatory and immune suppression drugs, Max completely recovered in 180 days. Dozen's of scientific research papers were published in the past five years and new diagnostic tools were developed revealing the real causes and factors for chronic inflammation, degeneration and premature aging of cells, tissues and organs. When your joints hurt so much that you cannot walk, when inflammation and pain takes over your body, when ulcers bleed inside your

stomach cavity, when no medicine brings relief, when physicians tell you there is no medical cure - you don't give up hope. Suffering brings wisdom, strength and most important knowledge that can change everything. We were told so many times that there is no medical cure for this painfull, inflammatory, degenerative, auto-immune disease, and they were absolutely right because the cure was at the farm and not at the pharmacy. Max's blood sedimentation rate was reduced 20 folds. From 61 mm/hr to 3 mm/hr in 180 days after changing his diet to real food. Max's calprotectin protein (inflammation marker) was reduced 28 folds. From 504 mcg/g to 18 mch/g in 180 days after changing his diet to real food. Max's C-reactive protein (inflammation marker) was reduced 12 folds. From 6.2 mg/dl to 0.5 mg/dl in 180 days after changing his diet to real food. The book is short, simple, and straight forward. It is an effective tool in your hands to start your own search for the truth. The book is printed in full color and contains 27 pictures and over 90 references and links to relevant scientific research papers, medical research papers, books, videos, and news articles published worldwide in the last five years. Of Christ Their Founder To The Present Day

The Megachurch Book juxtaposes the way of the scripture to the way of the modern day church, particularly the megachurch. A broad range of subjects are explored including church membership, lavish buildings, dual church locations, the absence of men in the church, neglect of community, the corporate orientation of the megachurch, the tax exempt charter, and many more intriguing topics. The book primarily focuses on trends and practices that are found in African American community based megachurches. Certain topics are written in prose and biblical metaphoric style for greater impact. The more biblical versed a reader is, the more the book will resonate. In order to accommodate various levels of biblical familiarity, the author includes a Discussions and Supporting Scriptures section at the conclusion of each topic. The Megachurch Book was written to open dialogue, invoke discourse, and inspire church attendees to not only consider the appropriateness of certain megachurch practices, but to also question such practices.
